Introduction

Introductions
Ice Breaker

Discussion of Planning Issues

- Use of Compton property
- Possible Downtown gateway opportunities along Union Street
- Use of southeast corner of 161st Street & U.S. 31
- Habig fields -- Is there Town interest in purchasing this land?
- Use of northeast corner of 161st Street & Carey Road -- Bridgewater parking?
- Use of northeast corner of 161st Street & Oak Road -- SFA opportunity?
- Pipelines in this quadrant

Creation of Vision Statement

"Westfield will be a place where people want their offices to be located, easy to get there and a nice community to visit during lunch or after work. People that work in Westfield will want to move there. They recognize the high standards planners and developers took not only to build a community but to correct the mistakes made along the way. Create a connected community with emphasis on trails and quality development of residential and businesses that compliment adjacent properties.

Adjournment

Next Meeting: Tuesday, August 30 at Carey Ridge at 5:30pm
